Greetings Brothers and Sisters  
This is Malcolm X

Today I would like to examine the  
topic of REPARATIONS....

Many People are ignorant about what  
Reparations is for, or even what it is.  
America must acknowledge its brutal  
beginnings, particularly Slavery and  
its treatment of Africans and Natives.

**REPARATIONS NOW!!!!**

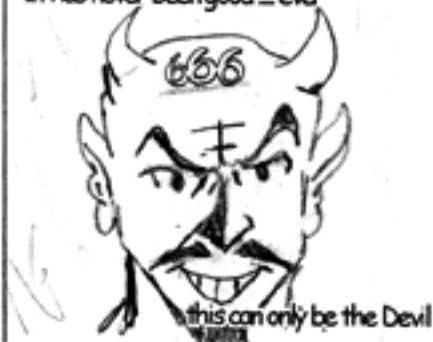

**BY ANY MEANS NECESSARY!!!!**

Stolen Labor on Stolen Land

Who is this man? Wherever he has gone,  
Whoever he has encountered...  
It has never been good... ever

The Trans-Atlantic Slave Trade was the worst atrocity mankind has ever seen... Africans were captured from Africa and transported via slaveships throughout North & South America, Europe and the Caribbean

Tens of Millions died in what we call the African Holocaust or the "Maafa"

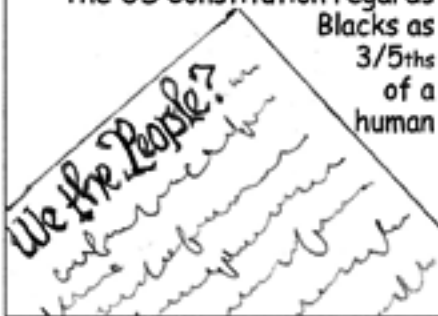

English, Spanish, Portuguese, Dutch, Arabs all profited from the enslavement of Africans

Most of Amerikkka's  
Founding Fathers and signers of  
the Constitution were  
Slave Owners or Slave Traders

When Slave Owning White Men  
wrote "We The People" Africans  
were not considered People  
The US Constitution regards  
Blacks as

3/5ths  
of a  
human

Africans forced to work as slaves cultivated America's cash crops and major exports corn, wheat, and especially... Cotton

Africans forced to work as slaves built up America... even the "White" House.

Stolen Gold, Silver, Diamonds  
Oil, Ivory, Artifacts...  
not to mention Africans!!!

Abraham Lincoln only freed the slaves  
out of political convenience,  
he himself owned slaves  
and the Emancipation  
Proclamation was a ploy  
to have Blacks fight for  
the Union in the Civil War.

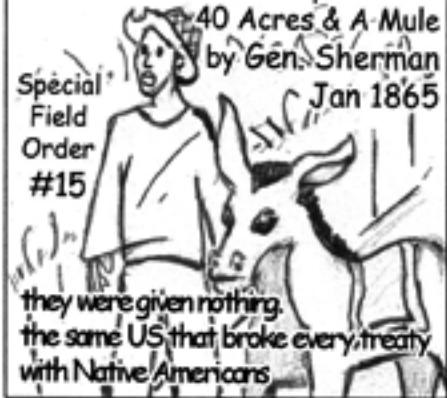

Emancipation Proclamation  
1863

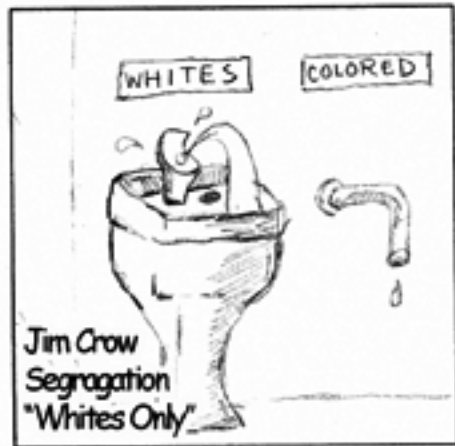

Freed Slaves were promised  
40 Acres & A Mule  
by Gen. Sherman  
Jan 1865

Special  
Field  
Order  
#15

they were given nothing.  
the same US that broke every treaty  
with Native Americans

Did You Know...

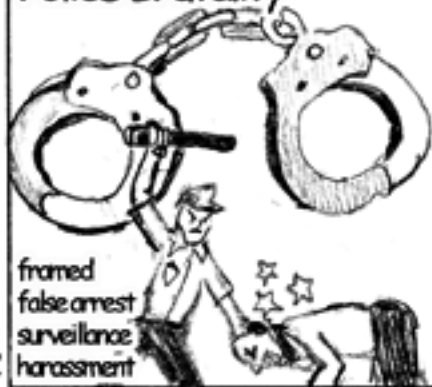

\* Over 10 Million Africans died during the Trans-Atlantic Slave Trade, not to mention those who still die from Police Brutality, AIDS, Drugs, Prostate Cancer, Diabetes, Heart Disease & High Blood Pressure

\* The current wealth of America and Europe is built on Stolen Slave Labor and Stolen Resources from Africa like Gold, Diamonds, Rubber, Iron, Spices which were all transplanted to the Stolen and Conquered lands of North/South America and the Caribbean.

We call on the government of the United States to atone for the historical and current wrongs it has committed against African people and other peoples of color. We call on the government of this country to address the morally compelling issue of the Holocaust of African Enslavement.

To do this, the government must:

- A.) Publicly admit its role and the role of the country in the Holocaust;
- B.) Publicly apologize for it;    C.) Publicly recognize its moral meaning to us and humanity through establishing institutions and educational processes which preserve memory of it, teach the lessons and horror of its history and stress the dangers and destructiveness of denying human dignity and human freedom;
- D.) Pay reparations; and    E.) Discontinue any and all practices which continue its effects or threaten its repetition."    (\*from MMM/DOA Reparations Initiative)
